

Gerard Teo

Creative Lead & Senior Designer

Singapore-based creative with 26+ years across brand identity, campaigns, events and production. I set direction, make the work and carry ideas from an unclear brief through presentation, artwork and delivery.

CURRENT WORK

JAN 2026 – PRESENT

Graphic Designer

C2 Creative Communications & C2 Global Exhibitions, Singapore
Design key visuals and campaign materials for exhibitions, conferences, corporate events and experiential projects.

JAN 2014 – PRESENT

Head of Art & Creative Operations

The Fat Oracle – Independent freelance practice, Singapore
Work directly with clients on brand identity, packaging, campaigns and 3D visualisation, from the first conversation to final production.

SELECTED EXPERIENCE

SEP 2020 – APR 2024

Freelance Designer

Northstar Travel Media, Singapore
Designed responsive email campaigns, taking approved concepts and wireframes through to final templates and production assets.

SEP 2021 – NOV 2022

Content Designer – Apple Account

Hogarth Worldwide, Singapore
Adapted and checked Apple retail and digital campaign assets against detailed global brand and production standards.

SEP 2013 – NOV 2014

Senior Designer & 3D Visualisation Lead

Crepuscule Asia, Singapore
Combined design direction with hands-on brand, packaging and 3D visualisation work for Unilever and L'Oreal.
